

9th WCSA World Target Championships
Chairman of Judges Report
Tony McLoughlin

The 9th WCSA World Target Championships were conducted on 5th to 9th June 2019 in Ennigerloh, Germany.

Arrived on 3rd June and went straight to the field. Repairs to bosses and stands were in progress.

4th June – Field markings and placing of stands in progress.

5th June – Unofficial practice

6th June – Official practice and equipment inspection and open ceremony.

7th June – Individual competition day one.

8th June – day two of individual competition and teams competition and medal presentation. Farewell function that evening. Very enjoyable

9th June – Team match play and individual Match Play. Medal presentation. Closing ceremony conducted by Gustav Malmberg

Championship very well organised on a low budget. Excellent job by organization. Thanks to the field crew on a first class job. Excellent time keeping by the Director of Shooting. The competition was enjoyed by all participants.

Final Comments

Two bolt retainers used by the Estonian team (using Medieval Bows) need to be checked by the Technical Committee. Photographs of these bows Gustave Malmberg
