

WORLD CROSSBOW SHOOTING ASSOCIATION

6th Bench/Prone/Kneeling Crossbow Championships – by Email

INVITATION

Timing: January to October 31st 2024

RULES OF COMPETITION

Competition will be decided by the results of:

Target, Freestyle, and Standard Crossbow Shooters:

1 x BPR600/70 Round comprising 60 competition bolts at 70m on full-sized World Archery/FITA licensed 40 cm multi-coloured target face for Target, Standard, and Freestyle crossbows.

Medieval Crossbow shooters:

1 x BPR600/50 comprising 60 competition shots at 50 m on a full-sized World Archery/FITA licenced single 40 cm multi-coloured target face.

Any shooter who is concerned about bolt damage may opt to shoot a World Archery/FITA licensed 40 cm three spot (Vegas or triangular arrangement) or vertical strip multi-coloured 5 zone face.

There will be both Individual and Teams competition for Target, Standard and Freestyle Sport and Medieval crossbows. Each Federation may enter up to four (4) MIXED teams (combined male and female). Each team will comprise three (3) shooters with all shooters in a team using the same type of equipment regardless of age or sex. Teams do not have to be announced before shooting has been completed.

Competitions must be registered WCSA STAR EVENTS, must be registered prior to the start of competition, and shall be listed on the WCSA shooting calendar. A copy of the registration form is attached.

Entry is open to all WCSA affiliated federations and clubs covering both the Target, Freestyle, and Standard and Medieval crossbow divisions for Men, Women, Senior categories (both 55+ and +70), Juniors (Under 18 years), and Assisted categories.

Scoring:

The double scoring system must be used. This means that there must be a shooter's version and a witness version of each score sheet for each round. These must be retained by the Federation as scanned data.

You must use Score Sheet 5, published "Full Indoor Score Card" on the "Competition and Shooting Rules" page of the WCSA web site. Scores values must be entered as numerals. Any letter will be taken to indicate a miss – that is no score.

We are aware that there are electronic scoring systems available, but at present we do not have a single universal system. Therefore, paper score sheets must be used.

Payment of Entry Fee:

\$ AUD 30.00 per shooter for each bow type.
