Information:

1. The Archery Society of Western Australia State Championships are **NOT** part of the World Championships and it is not necessary for competitors to enter it.
2. **Accommodation worth considering:** *City Waters – Perth* are good priced serviced apartments. I have visited them and found that although reasonable basic they are clean as well as being close to the city centre, hotels and restaurants. There are discounts for extended stay, if you contact them ask about the discount – Shirley is the person who offered a discount of 10%. Visit their website at www.citywaters.com.au or email perth@citywaters.com.au for further information.
3. Please complete **ALL** sections of the entry form.
4. Do not overlook the Wind-up Function on the Saturday night.
5. Do not forget the Declaration.
