WORLD CROSSBOW SHOOTING ASSOCIATION

11th World Indoor Crossbow Championships by Email

INVITATION

Timing: 1st February to 31st October 2026

RULES OF COMPETITION.

Competition will be decided by the results of:

Two TC600/18m/40 Indoor Rounds, each comprising 60 competition bolts at 18m on a World Archery licensed 40 cm three spot (Vegas or triangular arrangement) or vertical strip multi-coloured 5 zone face. Medieval shooters shall use a full 10 zone single 40 cm target face.

The two rounds may be shot on different days or the same day at a WCSA REGISTERED STAR EVENT. This arrangement allows for competitors to enter several different disciplines – Target, Sport Standard, Sport Freestyle, or Medieval. If single rounds are shot on different days they must be within a period of 30 days, i.e. if Event 1 takes place on 1st of the month, Event 2 may be no later 30th of that month.

Federations, Clubs and Individual member may schedule multiple double and two round events and submit the best two round scores of competitors.

Due to the increase in the number of Divisions, a separate Individual Entry form is required for each bow Class.

WCSA STAR EVENTS must be registered 30 days prior to the start of competition and shall be listed on the WCSA shooting calendar. A copy of the registration form is attached. The WCSA Recorder will confirm your registration by return email.

Verification form, Results sheets and a copy of both scoresheets from the individual claiming a record and must be sent to the Recorder for assessment of Rating, Regional and World Records within two weeks of completion of any Event. This does not constitute a Postal Championship Entry.

There will be both Club and Federation Team competitions for Target, Standard, Freestyle, and Medieval crossbow. Each Federation may enter up to five (5) MIXED teams, refer to Book 2 – clause 11.2.4. Each Club may enter one (1) MIXED team. Each team will comprise three (3) shooters with all shooters in a team using the same type of equipment. Para combined teams will comprise two (2) shooters. Teams do not have to be announced before shooting has been completed. There can be no Matchplay competition.

Entry is open to all WCSA affiliated Federations, clubs and individuals covering both the Target, Freestyle, Standard and Medieval crossbow divisions for Men, Women, Senior, Senior70+, Intermediate, Junior, Para 1, and Para 2 categories.

Scoring:

The double scoring system must be used. This means that there must be a shooter's version and a witness's version of each score sheet for each round. These must be retained by the Federation as scanned data.

You must use published scoresheet "60 Bolt Scorecard – Indoor or BPK" on the "Competition and Shooting Rules" page of the WCSA web site. Score values must be entered as numerals. Any letter will be taken to indicate a miss – that is no score. A Ring Ten must be recorded as a 10 with a circle drawn around it. We are aware that there are electronic scoring systems available, but at present WCSA do not have a single universal system. Therefore, double paper score sheets must be used.

Payment of Entry Fee:

$ AUD 30.00 per shooter for each bow type.
