

How to join the WCSA

Membership of the WCSA is open to all nations, organisations, clubs and individuals regardless of current affiliation provided that our criteria are satisfied. Individuals and clubs who are affiliated with WCSA-accredited national federations are automatically members of the WCSA. The WCSA will only recognise ONE national federation per country.

Membership criteria

In the case of national federations, we also require:

- Copy of formation meeting Minutes (if newly formed),
- Copy of Minutes which name office bearers,
- Contact details (including e-mail) of all federation office bearers
- Copy of constitution/statutes,
- Signed and sealed declaration whereby the candidate national federation agrees to abide by the WCSA Rules and Code of Conduct, and,
- Payment of the appropriate fees after membership is granted.

Where possible it is also requested that there is a letter of recommendation from an appropriate national sports controlling body or appropriate government agency.

Failure to satisfy all criteria may result in membership being disallowed.
